After the fall of the Roman Empire, as the seeds of feudalism began to take root and grow throughout Western Europe, young men who had proven themselves as warriors and gentlemen were given the accolade of knighthood. They were mature men in the social sense of the word, and it is in the context that we, the graduating class of 1972, receive our accolade. We, too, have grown to spiritual and social maturity.

The efforts of one person in particular at Cardinal Newman High School represent a singular contribution of selfless devotion and dedication. Mrs. Betty Lynch, director of the Central Office, has served in many capacities since the school's inception. Her role is an essential yet often thankless one: bookkeeper; director of student records; and secretary, during the school year and throughout the summer.

To Mrs. Lynch we dedicate Accolade '72: the high quality and efficiency of Cardinal Newman High School is a tribute to her spirited devotion.

Two cute chicks and Mary Beth Carlin.

The end of a hard day.

A black and white photograph of a palm tree against a cloudy sky. The palm tree is the central focus, with its fronds spread out across the frame. The sky is filled with soft, textured clouds. The overall mood is serene and tropical.

For the most part, the team was young and inexperienced, but it did not show throughout the season. Under the grating coaching of Harry Howell, Sr. the team posted a 9-2 record and finished seventh in the state meet. The best of luck to next year's team in their quest for the State Championship!
